

**NEIGHBOR NOTES**  
**at the**  
**PITTSFIELD HOUSING AUTHORITY**

**FEBRUARY 2026**

**Executive Director's Desk:**

We just passed the middle of cold, mixed-precipitation, ice, snow and oh yes, rain when it's over 35 degrees - that turned to ice again in the evening. Now we face frigid temperatures on or below zero degrees. It's so important to be extra careful when venturing outdoors. Stay safe, stay in if you can. Our maintenance staff is working diligently to keep walkways and parking lots sanded/salted and plowed. If you have concerns, please call the maintenance hotline 617-591-1068.

Your windows should stay closed to avoid water pipes freezing. All air conditioners should have been removed by now. Always keep your apartment temperatures above 50 degrees, especially with freezing temperatures and throughout the winter/early Spring to avoid pipes freezing. You will be held responsible and charged for damages created by frozen pipes. Call the maintenance hotline should you have any concerns; our crew will check on your concern.

In case you haven't heard, PHA received a Mass Broadband Institute (MBI) RANGE grant in the amount of \$400,000 to bring digital literacy to our sites. There's much to do before we're up and running. We will be adding computer labs at 4 sites in the community rooms (Columbia Arms, Providence Court, Dower Square and Rose Manor). All PHA residents will have access to one-on-one training with a specialist who can help you become proficient using your smart phone, iPad, tablet or laptop. Call the office 413-443-5936 if you would like us to set up an appointment with one of our partners.

I am excited to announce that Veronica Warren, currently PHA's Federal Public Housing Specialist, will take on a new role as our full-time **RSC (Resident Services Coordinator)** starting the first week of February. I recognize how important it is to have the RSC meeting our tenants' needs full-time at our 12 housing sites. She will be working 8:30-4:00 Monday-Friday.

**Wild Geese**

**You do not have to be good.**

**You do not have to walk on your knees  
for a hundred miles through the desert repenting.  
You only have to let the soft animal of your body  
love what it loves.**

**Tell me about despair, yours, and I will tell you mine.**

**Meanwhile the world goes on.**

**Meanwhile the sun and the clear pebbles of the rain  
are moving across the landscapes,  
over the prairies and the deep trees,  
the mountains and the rivers.**

**Meanwhile the wild geese, high in the clean blue air,  
are heading home again.**

**Whoever you are, no matter how lonely,  
the world offers itself to your imagination,  
calls to you like the wild geese, harsh and exciting -  
over and over announcing your place  
in the family of things.**
