Parking Policy

- Each household is eligible to receive one (1) "Tenant Parking Sticker" which is to be displayed in the rear window of the Tenant's vehicle.
- Cars without a sticker or parked in the wrong space will be ticketed and then towed at the car owner's expense, if not moved.
- At the annual recertification the tenant is to supply the Housing Authority an up to date copy of their Vehicle Registration.
- Additional cars in Tenant household and/or visitors must find a place to safely park elsewhere, other residential parking spots reserved for each unit CANNOT be taken.
- Guests, Home health aids, Personal Care attendants, and all other visitors must park in visitor parking.
- Vehicles are to be parked correctly between the lines and/or within actual parking spots only. In developments with assigned parking, tenants are to park in their assigned spot only.
- There will be NO Parking allowed in parking lot entrances or in middle of driveways; this restricts access for emergency vehicles and presents a major inconvenience and nuisance for your neighbors who also need to park.
- There will be NO parking or driving on lawns and walkways. Tenants will incur the cost of damages for themselves and/or their guests
- Auto repair on PHA property, including parking lots, and parking spaces is not allowed. The Housing Authority will not assume responsibility for partially assembled vehicles.
- Unregistered and/or uninsured vehicles cannot be parked on Housing Authority property. Tenants will be responsible for removal of all unregistered vehicles within ten (10) days of receipt of notice from PHA. Failure to comply with the Housing Authority will result in removal of the vehicle at the owner's expense.
- Not complying with the PHA Parking Policy and Regulations is a Violation of the Lease.
